HIGHER EDUCATION (TE.II) DEPARTMENT

G.O.Rt.No. 175,

Dated 18-03-2010

Read

From the CTE., Hyd. D.O.Lr.No.T4/11165/2008, dt.24.12.2009

-0o0-

ORDER:

The Commissioner of Technical Education, Andhra Pradesh, Hyderabad in his letter read above has reported that the State Board of Technical Education and Training has decided to make Industry attachment / Internship, for a period of six months, in the first semester of third year diploma education compulsory for all the branches from the academic year 2009 -10. This decision has been taken after reviewing the experience of sandwich courses, which are diploma courses with compulsory industry attachment for a period of six months to one year, which already existed in the State. The employability of the students, who successfully completed six months of industry attachment, was found to be very high. All the students who are in existing sandwich courses are being given stipend of Rs.1510/- P.M during the period of internship, out of which, 50% comes from Board of Apprenticeship & Training, Chennai and the remaining 50% is contributed by the industry. With the decision of the SBTET to make all conventional diploma level courses as sandwich courses, the requirement of number of candidates for whom stipend needs to be provided has gone up substantially. The issue of extending the benefit of stipend to the students in the year 2010-11 was taken up with the Board of Apprenticeship & Training, Chennai. The Board of Apprenticeship & Training (BOAT), Chennai is asking for the Government order approving conversion of conventional diploma level courses into sandwich courses to examine extending the stipend facility, which will benefit to the students studying diploma education in Andhra Pradesh. Further, he has stated that there is no financial implication on State Government in this regard. He has requested the Government to issue necessary orders approving the conversion of all conventional diploma level courses into sandwich courses in the matter.

2. After careful examination of the proposal of the Commissioner of Technical Education, Andhra Pradesh, Hyderabad, the Government hereby approve the conversion of the conventional diploma level courses into sandwich courses in view of the benefits to the Students as annexed to this order, subject to the condition that there shall be no financial implications to State exchequer in this regard now or in future.

3. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad shall take further action in the matter accordingly.

4. This order issues with the concurrence of the Finance (Expr. HE) Deptt., vide their U.O.No.1919/40/Expr.HE/2010, dt.03.02.2010.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

C.R. BISWAL,
PRINCIPAL SECRETARY TO GOVERNMENT

To:

The Commissioner of Technical Education, Andhra Pradesh, Hyderabad.
